LEGACY PROJECTS

THE LAMU MARINE CONSERVATION TRUST

- **Ten laptops** were procured and branded for **Beach Management Units (BMUs)**, strengthening their digital capacity to manage fisheries.
- **Kinyika Operational Plan** advanced to community validation and public participation with BMUs and the wider Kinyika community, ahead of government endorsement.
- The **official launch of the Kinyika Plan** and laptop handover took place at the Bahari Yetu Festival, followed by basic computer training for the BMU secretaries.
- **Lamu County BMU Network** was operationalised, giving BMUs a stronger structure to coordinate and engage with government.
- **One multi-agency patrol was conducted** with the Kenya Fisheries Service, the Kenya Coast Guard Service and community intelligence representatives, covering channels from Kipungani and Matondoni to Hidiyo (5 patrols to date).

- **48 Community Conservation Champions trained** through structured two-day programmes (25 in Kakamega, 23 in South West Mau).
- **14 stakeholder representatives** from KFS, KWS, CFAs and NGAO took part, with sessions led by government and community partners.
- **Full curriculum delivered**, covering tree nurseries, forest patrols, wildlife management, basic firefighting, conflict resolution, safeguarding and CFA forest user rights.
- **South West Mau Champions elected their own officials,** establishing leadership for the network.
- **A dedicated Kakamega Community Conservation Officer appointed** from 57 applicants.
- 2 replacement Champions recruited in South West Mau, to be trained in Q4.

RHINO ARK

archipelagus

- The establishment phase is complete, and a **fully operational 17 km^2 fenced rhino sanctuary** is now in place in Kidepo Valley National Park.
- **Four white rhinos** are settling well and are closely monitored by 12 local community rhino monitors.
- **Nine community members were trained and now run the tsetse fly control programme**, with salaries funded by Platcorp Foundation.
- Helped to **establish a women-led poultry enterprise** that now provides new income for women in the Ik and Dodoth communities.
- **Morungole Community Conservancy is fully operational**, with a working management team and several community projects.
- **Uganda Wildlife Authority now leads security and veterinary oversight**; senior UWA staff visited Lewa to learn from Kenya's community conservancy model.
- The transition from WildLandscapes East Africa to Archipelagus is on track, with programmes, partnerships, and grant reporting continuing without interruption.

- The **Northern Mara landscape plan was complete and endorsed** by stakeholders, setting a path to secure leases, connect Mbokishi and Enarau, and build long-term tourism income.
- **Kileleoni approved a US$20 bednight levy** for a shared tourism infrastructure vehicle for road improvements and maintenance.
- **Secured the first tourism-partner commitment** from House in the Wild.
- **Completed Ramani land-information work** providing a stronger basis for parcel and lease management.
- **Refined the Ol Chorro rhino proposal**, including sanctuary and fence design and the proposed translocation of 3 rhinos.
- **Submitted a GEF Small Grants application** to support the Northern Mara landscape plan.

MAASAI MARA CONSERVANCIES

NGONG ROAD FOREST CHALLENGE

Our newest flagship event brought runners, families, and members of the Platcorp Group to Ngong Racecourse to raise money for fencing and protection of the endangered Ngong Road Forest, as well as for youth programmes run by Nondescripts RFC.

627
runners across 5 km, 10 km and 21 km routes

KES 3.25M
raised in sponsorship

KES 3.25M
donation from the Platcorp Foundation

KES 2.6M
to Nondies and the Ngong Road Forest Association

The Cause

Ngong Road Forest Association: fencing and conservation of a forest relied on by about 200,000 residents, including beekeepers, firewood collectors, tree nursery operators and community eco scouts.

Nondies: youth and community programmes for a team that trains daily at the Ngong Racecourse.

A Platcorp Group-wide effort

Sponsored by Platcorp Group subsidiaries in Kenya;

- Premier Credit
- Platinum Credit
- MOMENTUM Credit
- Eezy Group
- VIVA 365 Insurance Brokers

What comes next

The Challenge is set to become an annual flagship event, with a target of 1,500+ runners in 2027.

Our Partners

- Sportpesa
- Arion Africa
- Serene Wellness
- Reliva Physiotherapy
- APA Insurance
- Xpose Limited
- Coca-Cola

SUBSIDIARY PROJECTS

Platinum Credit

KENYA

In Q3 2026, Platinum Credit Kenya focused on Education, Community Development and Environment initiatives.

Education

Funded transport for **41 deaf learners** from **Machakos School for the Deaf** to perform at the Kenya National Music Festivals at Kibabii University, Bungoma.

Donated **food supplies** to learners at **Chesoi Special School for the Hearing Impaired**, Kapsowar, helping them stay in class.

Community Development

Donated **2 balls** and **30 sports kits** to the **Machakos Prison football team** as they prepare for inter-county competitions.

Donated **10 trophies** for **National Literacy Day celebrations** at Ole Narau Primary School, Kajiado, an event reaching about 300 people.

Supplied **paint and brushes** to refresh the visitor waiting bay and radio room at **Taveta Prison**.

Supported county payroll offices with a **printer for Kirinyaga** and **printer toner for Kilifi**, helping keep day-to-day administration running.

Environment

Supporting sponsor of the **Ngong Road Forest Challenge**, with **120 employees running** to help protect Ngong Road Forest.

Platinum Credit

UGANDA

In Q3 2026, Platinum Credit Uganda focused on Health initiatives.

Health

Donated UGX 10 million to the **Rotary Uganda Cancer Run 2026**, a fundraiser to complete and **equip two radiology bunkers** for cancer treatment, strengthening cancer care in Uganda.

Platinum Credit

TANZANIA

In Q3 2026, Platinum Credit Tanzania focused on Education initiatives.

Education

Improved water access in schools through **well drilling** and **water tank donations**, alongside classroom and environment renovations, supporting learner health, hygiene and a better place to learn.

Spectrum Credit

ZAMBIA

In Q3 2026, Spectrum Zambia focused on Community Development initiatives

Community Development

Handed over **team jerseys** to the **Zambia Rugby 7s national team** at the Showgrounds rugby arena in Lusaka, backing our athletes and inspiring young Zambians to live active, healthy lives and reach their potential on and off the pitch.

Premier Credit

KENYA

In Q3 2026, Premier Credit Kenya focused on Health, Education, Community Development and Environment initiatives.

Health

Installed **10 steel waiting benches at Lodwar County and Referral Hospital**, providing comfort and dignity to **500+ patients** and caregivers who visit daily.

Renovated and partitioned the dispensary at Vihiga Main Prison, improving care for 270 inmates, 185 prison officers and the surrounding community.

Education

Donated food to a Kwale school **serving 200 learners** with intellectual disabilities, covering a shortfall due to delayed government capitation to ensure learning could continue.

Community Development

Donated 8 solar street lights to Tala Municipality, improving security for about **11,446 residents**.

Renovated the waiting bay floor donated last year at **Ongata Rongai Police Station**, which serves **100+ walk-ins daily.**

Supported the newly opened **Moi's Bridge Police Station**, Uasin Gishu, which serves about 18,103 residents.

Environment

Ran in the **Ngong Road Forest Challenge** to help fence and protect the forest.

Revisited earlier planting sites: monitored **5,000 trees** at **Karura Forest** and confirmed **200 surviving trees** at Ruiru Prisons Staff Training College.

Convened a committee to plan the **Makongeni Market clean-up** in Thika, a market used by 2,000 to 3,000 shoppers daily.

Premier Credit

UGANDA

In Q3 2026, Premier Credit Uganda focused on Health initiatives.

Health

Constructed a waiting shade for expectant mothers at the antenatal wing of **Masaka Police Health Centre III**, which gives free care to **2,000+ people a month**. Mothers now have a clean, comfortable place to wait for care instead of sitting on dirty floors.

Constructed a dental room so the centre can use its existing dental equipment and offer dental services to the community, which makes up **95% of its patients.**

Fanikiwa Microfinance

TANZANIA

In Q3 2026, Fanikiwa focused on Health initiatives.

Health

Donated reusable sanitary pads to 500 female students at **Nzasa Secondary School**, a public school in Charambe ward, Temeke Municipal Council, Dar es Salaam. The pads support the girls' menstrual health and dignity, helping them stay comfortable and confident at school.

The pads are reusable, **reducing disposable waste** and **saving students and families the cost** of buying pads every month.

MOMENTUM Credit

KENYA

In Q3 2026, MOMENTUM focused on Education and Environment initiatives.

Education

Ran a **book drive in the Mount Region**, getting basic learning materials to **3,987 primary school learners**.

Environment

42 sponsored employees took part in the **Ngong Road Forest Challenge**, championing healthy living while backing forest conservation.

Eezy Group

KENYA

In Q3 2026, Eezy Track Kenya focused on Environment initiatives.

Environment

Sponsored the **Ngong Road Forest Challenge** 2026, a community race over 5 km, 10 km and 21 km that supports the protection of Ngong Road Forest while promoting fitness, youth development and community spirit.

VIVA 365 Insurance Brokers

KENYA

In Q3 2026, VIVA 365 focused on Environment initiatives

Environment

Partnered with Platcorp Foundation colleagues to **provide insurance cover for the Ngong Road Forest Challenge** at Ngong Racecourse, so the **600+ people** who came together could take part safely.
